

# Rapids Pro Series

**Introducing the Best**

## **Everything You Need in a Filter Plus More**

**We use Sintered Glass for biological filtration, Bio-Balls for additional biological and increased gas exchange plus Carbon Cloth for unsurpassed chemical filtration.**

- Pro Series Filter
- Auto Fill System- Adds 4 gallons of make-up water to compensate for tank evaporation
- Surface Skimmer Overflow
- Sintered Glass Bio-Cylinders
- Aqua Lifter with Hanger
- Rapids Submersible Pump 700 gph
- Stellar Plus Air Pump
- Protein Skimmer
- Bio-Balls
- Carbon Cloth

**Compare Rapids Pro Filter to other filters and you will see why we feel our filter is so good**
